

BABY BOTTLE DRIVE

703

Reasons to support JMJ!

Take it! Fill it!

JMJ Pregnancy Center is the largest Catholic pregnancy center in Central Florida. We are thrilled to have played a part in helping 703 courageous women choose life for their beautiful babies in 2023. That's right, 703 superheroes! Our baby bottle drive is a way for you to become part of our TEAM and MISSION! We need your financial support and prayers to continue to serve women facing crisis pregnancies. It's simple. Take a bottle and fill it! (You will find more detailed instructions in the bottle.)

Why we need your support!

Providing over 2,000 appointments annually requires substantial financial resources, as well as a team of 12 staff members and over 70 volunteers. Your baby bottle gift is immensely valuable in supporting our efforts.
